

Give Kids the Extra Credit

MILLENNIUM HIGH SCHOOL BAND

SCHOOL TAX CREDIT

Reasons to Contribute:

- **The State of Arizona has a law that benefits taxpayers and school children alike.** A.R.S. 43-1089 allows a tax credit of \$200 for individuals and \$400 for married couples filing jointly, for fees or donations paid to a public school in support of extracurricular activities.
- **It costs you nothing.** It gives you a say in how your tax dollars are spent and reduces your tax bill by whatever amount you donate. Let's say you donate \$400 to an eligible school activity, you will reduce your Arizona state tax bill by \$400. If you expect a refund, it will be \$400 higher. If you don't pay state income tax, you can't reduce your liability below \$0. Please consult your tax professional for more information.
- **Give kids a chance.** Your tax credit contribution give kids an extra chance to stay in school, learn more and do better in their classes. Kids who participate in fine arts—in programs in art and music—actually do better in basic academic subjects, including math.

Please make all checks payable to: Millennium High School. All forms and contributions must be received prior to December 31st at the school bookstore to receive credit for the current tax year. The maximum contribution for single or married filing separately is \$200. Persons filing married filing jointly can contribute up to \$400. While businesses are not eligible for the tax credit, all contributions are welcome and appreciated. Contributions are nonrefundable by the school district.
